Fax: (281) 265-3349

Dear Mom and Dad,

We are looking forward to your child's first visit with us. We have reserved this time especially for your child to welcome your family, answer any questions you may have and provide a careful and thorough dental examination.

Please read the enclosed brochures carefully and save them for future reference. They describe the special aspects about our practice and answer many questions.

In order to provide proper and complete care, we must have a health history as part of your child's permanent records. Therefore, please complete the enclosed New Patient form and bring it with you. If you have dental insurance, please complete the insurance section of your new patient form.

Thank you for choosing us to provide dental care for your family. We realize that children are our most precious possessions and we hope to gain your confidence in caring for them. We will strive to treat your family as we would our own.

Sincerely,

Henry Delclos
